Greetings!

We enjoyed a really memorable trip to Branson where we enjoyed a lunch and show aboard the Branson Belle, an optional show at Sight and Sound Theatre for Moses, a day at Silver Dollar City, dinner at Mel's Hard Luck Café with singing wait staff. We had to substitute the Titanic Museum and lunch at Lamberts (home of the throw'd rolls) when Dogwood Canyon had flood damage. What beautiful weather and no crowds!

The Indiana Amish trip June 20-23 is booking well. The 4da/3nt trip is packed full of interesting sights and sounds of the area. Let us know if you are thinking about this trip as we don't want you to miss it!

MILLION DOLLAR QUARTET

MILLION DOLLAR QUARTET is the new smash-hit musical inspired by the true story of the famed recording session that brought together rock 'n' roll icons Elvis Presley, Johnny Cash, Jerry Lee Lewis and Carl Perkins for the first and only time. On December 4, 1956, these four young musicians gathered at Sun Records in Memphis for what would be one of the greatest jam sessions ever. MILLION DOLLAR QUARTET brings that legendary night to life, featuring a score of rock hits including "Blue Suede Shoes," "Fever," "That's All Right," "16 Tons," "Great Balls of Fire," "Walk the Line," "Whole Lotta Shakin' Goin' On," "Who Do You Love?," "Matchbox," "Folsom Prison Blues," "Hound Dog" and more. This thrilling musical brings you inside the recording studio with four major talents who came together as a red-hot rock "n" roll band for one unforgettable night.

Switched briefcases, mistaken identities, greedy friends, bodies in the river and murderers on the loose make this international hit "fiendishly funny...if ever there were a farce that could make someone die laughing, this is it." Recipes from “Dixie Swim Club” show

Vernie's Son-Of-A-Biscuits

Ingredients: 2 C flour; 4 tsp. baking powder; 1/4 tsp. baking soda; 3/4 tsp. salt; 2 Tbsp. butter;
2 Tbsp. shortening; 1 C buttermilk, chilled

Directions: Preheat oven to 450 degrees. In a large mixing bowl, combine flour, baking powder, baking soda, and salt. Using your fingertips, rub butter and shortening into dry ingredients until mixture looks like crumbs. (The faster, the better. You don't want the fats to melt.) Make a well in the center and pour in the chilled buttermilk. Stir just until the dough comes together. The dough will be very sticky. Turn dough onto floured surface, dust top with flour and gently fold dough over on itself 5 or 6 times. Press into a 1-inch thick round. Cut out biscuits with a 2-inch cutter, and make sure to push straight down through the dough. Place biscuits on baking sheet so that they just touch. Re-form scrap dough, working it as little as possible and continue cutting. (Biscuits from the second pass will not be quite as light as those from the first, but hey, that's life.) Bake until biscuits are tall and light gold on top, 15 to 20 minutes.

Mung Bean Goji Berry Balls recipe by request for anyone who wants to spit them out in the nearest plant.
